

After-School Program

**EDUCATION SUPPORT AND AFTER-SCHOOL ACTIVITIES
FOR PREP TO YEAR 12**

Acknowledgement of Country

Banksia Gardens Community Services acknowledges the Wurundjeri people of the Kulin Nation, Traditional Custodians of the Country on which we operate on. We recognise that we work on stolen land and that sovereignty has never been ceded. We also recognise Aboriginal and Torres Strait Islander peoples continued connection to the land, sky and waters, and the deep care for Country and community.

We pay our respects to Elders past and present. This always was and always will be, Aboriginal Land.

What is the After-School Program?

Our After-School Program has provided support to children and young people in Greater Hume for almost 20 years. The After-School Program provides a suite of activities to support the academic, social, physical and creative development of primary and secondary students outside of school hours.

In addition to academic support, we stimulate and inspire children through fun recreational and creative activities, and create a welcoming and inclusive environment for children, their parents and volunteers from diverse cultural backgrounds.
